JUSTITIA 1974

President Donald H. Riddle

I wish to extend my personal congratulations to each recipient of a degree from John Jay College during the academic year 1973-74. Our graduating class now includes both pre-service students, who have come to the college to prepare for service in the criminal justice system, as well as substantial numbers of students already employed in that system. It is a source of satisfaction that the college is turning out so many students anxious to serve our society and its social needs, as reflected in the critical institutions which constitute the criminal justice system. All of our students may take great satisfaction from the achievement which the diploma symbolizes.

The college sincerely hopes its graduates will continue to maintain a close association and identification with the college. The Yearbook serves an important function in maintaining that association. I, therefore, extend to the editors, on behalf of the entire college community, our thanks for their efforts in producing this Yearbook.

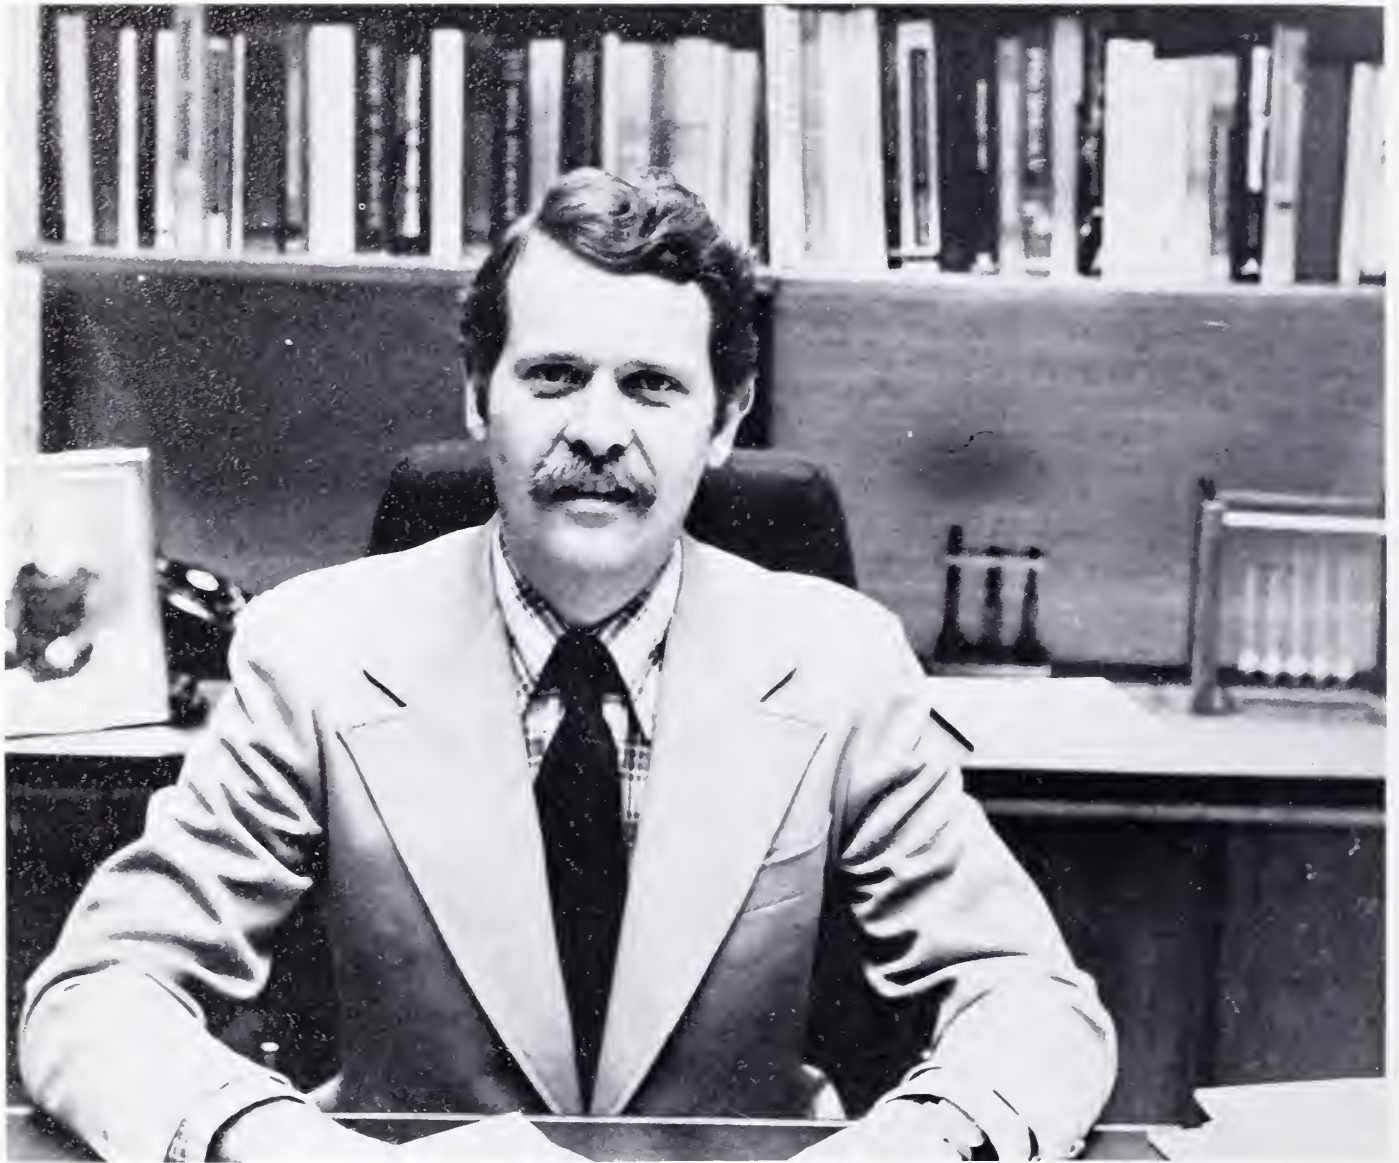

Again, I extend to each graduate my congratulations and best wishes for continued success.

Richard Ward Dean of Students

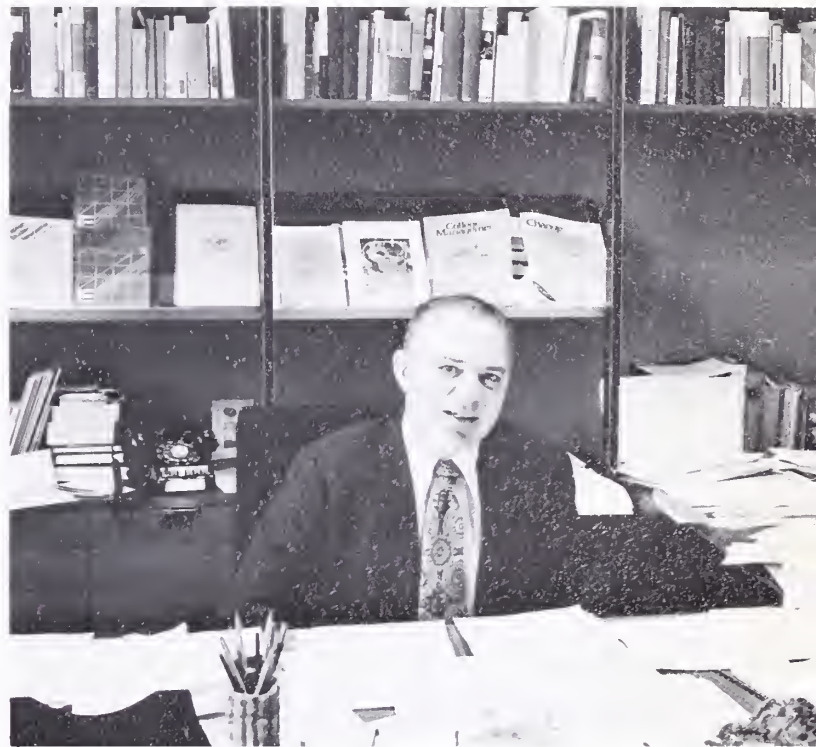

Your accomplishment in graduating from John Jay represents a milestone which you should be proud of. Your quest for knowledge and pursuit of higher education marks you as a leader, and I urge you strongly to carry the dedication which made graduation possible into your every day lives. We live in a society troubled by uncertainty, fraught with apathy, and divided by prejudice. Yours is a heavy responsibility, and one which does not end with graduation, but in some ways just begins.

The unique nature of John Jay College, both in its mission and in its student body, sets it apart in many ways. To those of you in, or who are about to enter, the criminal justice system I would only remind you of the awesome responsibility you face. I am confident you will meet it well. My best wishes to you and your families, and may your future days be filled with the rewards you so richly deserve.
